L.5 PROPOSAL CONTENT/SUBMITTAL DATA

(a) General

- (1) Offerors are to submit copies of their proposal to arrive at the U.S. Department of Energy, Richland Operations Office, as described in this section, not later than 4:00 p.m. local time on **February 17, 2004**. Each submission shall include an original and five copies of Volume I, an original and 15 copies of Volume II, and an original and 15 copies of Volume III, and five Compact Disks (CDs) for each volume.

For final proposal revisions submitted in response to the RFP Amendment number 006, of April 2005, Offerors are to submit copies of their final proposal revisions to arrive at the U.S. Department of Energy, Richland Operations Office, not later than **12:00 Noon, June 6, 2005**. Each submission shall be a complete proposal and include an original and 10 copies of Volume I, an original and 15 copies of Volume II, and an original and 15 copies of Volume III, and five Compact Disks (CDs) for each volume.

April 2005 (Offeror's final proposal revision submittal of [June 6, 2005](#)).

The SEB will evaluate the oral presentation against the Evaluation Criterion 2 *Key Personnel* of Section M.

The oral presentation will consist of four parts: 1) Open Presentation, 2) Clarification questions and answers, 3) Project Manager (PM) interview, and 4) Interviews of each of the other proposed key persons.

- (i) Open Presentation: After a brief introduction, the Offeror will be provided open presentation time, during which, at minimum, the PM and each key person will be required to describe their experience, demonstrated performance, education, and suitability for the identified position. Each key person, including the PM, will describe how he/she will incorporate lessons learned from prior personal or corporate experience into execution of the FFTF Closure Project.
- (ii) Clarification Questions and Answers: At the conclusion of the open presentation, the Offeror may be asked clarification questions by the SEB to facilitate understanding of any portion of the entire preceding oral presentation. This process constitutes clarification only.
- (iii) Project Manager (PM) Interview: The SEB will conduct a one-hour interview with the proposed PM. The interview will be conducted using a question and answer format. Questions to be used in the interview will not be provided to the Offeror in advance. An identical set of questions will be asked of each PM interviewed.
- (iv) Interviews of key persons other than the PM (for the three key positions of ES&H manager, Project Controls manager, and D&D Ops manager): After the PM interview has concluded, the SEB will interview each of the other proposed key persons. These interviews will also be conducted using a question and answer format. Questions to be used in these interviews will not be provided to the Offeror in

c) Criterion 3, Experience and Past Performance

1) Experience

The Offeror shall furnish a summary of relevant experience in all major work areas demonstrating experience in the last five years in performing projects similar in type, scope, complexity, duration, and risk to the Statement of Work. Prior experience may be provided. This includes project or construction management, particularly environmental remediation and nuclear facility D&D, demolition of commercial or government-owned former nuclear or radioactively-contaminated facilities, and sodium disposition.

The Offeror is to provide its experience in providing results against (1) integrated site schedule and cost baselines; and 2) effective development and use of project strategies.

Identify and quantify (in terms of dollar volume) the experience of all members of the Offeror's team working under rigorous quality assurance requirements such as 10 CFR 50 Appendix B, CFR 830.120, or their equivalents, in the past five years. Identify and quantify all relevant RCRA and CERCLA experience.

In the case of a newly formed joint venture, limited liability company, limited liability partnership, or other similar entity formed for the purpose of competing for this contract, provide experience/past performance of the entities that comprise the newly formed entity.

2) Past Performance

For this criterion, the Offeror should provide information regarding specific contracts and information regarding the Offeror's overall performance over the last five years. The Offeror's final proposal revision shall contain updated Past Performance information, to include the timeframe up until submittal of the final proposal revision. Offerors are advised that the Government may contact any or all references in the proposal. Offeror's should provide one copy of the Past Performance Survey included in Attachment 7, to each Agency, Commercial Firm, or other organization, that is identified on a Past-Performance Reference Information Worksheet (Attachment 3). [Attachment 7 Past Performance Surveys are required only for projects which are still in progress and/or were completed since February 17, 2004, and for Attachment 3 projects not previously identified, that pertain to offeror companies that were not included in the previous proposal submittal. Previous Past Performance Surveys will also be used for the final proposal revision Criterion 3 Past Performance evaluation.](#)
